BENEFITS

BENEFITS

CLUTCH / ESSG FINANCIAL

A new and innovative program that allows you to lower the costs of having employees by transferring the employees under an umbrella FEIN.

No longer handle individual costs associated with employees such as FICA, SUTA, Workers' Compensation Insurance, Unemployment Insurance, health benefits, and General Liability Insurance.

No longer spend time and expense administering payroll, reporting taxes, and onboarding employees.

Transfer the risk associated with having employees in terms of workers' compensation or general liability claims.

FIXED EXPENSES/LOWER COSTS

- Wages
- FICA
- Workers' Compensation
- Federal & State Unemployment
- General Liability Insurance

This is not an EOR program-contact us today for more details.
